April 2025 Newsletter

"The Drifter"

"Our mission is to promote in Oregon an RV/Camping organization that creates friendships and education for members as well as goodwill and charitable experiences in our communities."

Check out our website: camporca.org

Hello to all,

First off, Bill and I would like to thank the Weekenders for inviting us to their March luncheon in Woodburn. It may have been a smaller crowd than they were hoping for, but those that were in attendance were great to visit with! It was a very cute restaurant on the golf course, and I purchased a loaf of banana nut bread from their bakery which was delicious. It didn't last long in our house.

We're getting very excited about the Roundup later this month. It will be the first outing for our RV this year, and we are hopeful that "she" made it through the winter without any problems. Bill claims that there are no signs of critters stowing away in our motorhome for the winter, and I hope he's telling me the truth. I hate mice! In our prior Class C, they made a nasty nest in my silverware tray. I was so disgusted and repulsed that I literally threw the whole shebang out, silverware and all, and started fresh with a covered silverware tray! There's more than one way to skin a cat ... or should I say, mouse!

RV SPRING CLEANING CHECKLIST

A comprehensive checklist for the Exterior of your RV:

- Rinse the entire RV with water to remove loose dirt.
- Clean the exterior with a soft brush and specialized RV cleaning products.
- Wax the RV to protect the paint and external surfaces.
- Inspect the seals around windows and reseal if necessary to prevent leaks.
- Check tire pressure and look for any signs of wear or cracking.
- Clean and lubricate the awning and check for tears or damage.
- Test all exterior lights and replace bulbs if needed.

A comprehensive checklist for your RV's interior:

- Wash all surfaces, starting with ceilings and walls and working down to floors. Use suitable cleaners for different materials.
- Refresh the fabric elements, such as curtains, upholstery and bedding. Wash what can be laundered and consider replacing or professionally cleaning items that are beyond a simple wash.
- Clean the windows from the inside to let in more light and make the space feel bigger and brighter.
- Take out everything from cabinets and drawers. Wipe down the insides, donate what you no longer need, and neatly put back the essentials.
- Pay special attention to the kitchen area. Deep clean appliances, cutlery, dishes, and ensure no old food is left to spoil. This will also help prevent unwelcome visitors like insects and rodents.
- Don't forget the little things: Check light fixtures, handles, knobs, and other frequently touched areas.

HAPPY
EASTER
