May 2025 Newsletter

## *"The Drifter"*

"Our mission is to promote in Oregon an RV/Camping organization that creates friendships and education for members as well as goodwill and charitable experiences in our communities."

**Check out our website: [camporca.org](http://camporca.org)**

Hello to all,

We'd like to extend a huge "thank you" to John and Holly Monahan for yet another wonderful Roundup! Our new location at Olde Stone RV Resort worked out beautifully and everyone is anxious to go back next year. Speaking of next year (in the event you haven't heard), John and Holly will be stepping down as organizers of the Roundup due to a couple of surgeries John has scheduled. He's getting a few new body parts so that he can run around like a teenager again! Graciously, Steve and Bonnie August, along with Jeff Simons (son of our beloved Bob Simons), have offered to take over for John and Holly. We are grateful to have such loyal members that are willing to help out!

I think everyone had a great time at the Roundup ... no mud or puddles to avoid (we still loved Wapiti, regardless), and we lucked out with beautiful weather. They cleaned the pool while we were there, and I seriously thought it was for us, but it was still closed for the season. Hahaha! John has already reserved the park again for next year. I believe the dates will be April 23-26, 2026, so get it on your calendar! Reservations can be made with the park now, using "ORCA2026" for the discount.

Looking forward to seeing all of you, and many more, at the ORCA Rally in Rickreall in June! You don't want to miss this one, either!

## GPS TRACKERS

You may or may not have heard of GPS Trackers. They are a small device that looks like a key chain. They can be added to anything you own: your luggage when traveling, another person's clothes to track them if they wander away from you. Same with your pets that may run away from you. This worked when Denice, our daughter, traveled to Europe for her work company. Her lost luggage did not get transferred to her last airplane transfer. She was able to tell the airline where her luggage was located. Here is another valuable use: hide one in your RV and/or car. You can track where the above items are at the present time and could notify authorities if needed. I came about this device by accident after returning on a trip to the John Day Oregon area. When restoring items under our dinette we found a key ring with a small round part attached to it. We mentioned it to our daughter; she smirked and told us it was a GPS Tracker. Being we were traveling by ourselves, she could tell where we were at. If we were out of signal she would know where it was last located and could send help to find us. When a signal came back she would know we were OK. We have added the GPS Tracker to hidden places in our motor home and car. If stolen, you can tell where they are to the authorities through your cell phone App. This may help you if you lose your valuables, maybe even your spouse. The GPS Trackers are available from many places including Amazon with many different types and prices.

# 2025 Roundup “Highlights” - McMinnville, Oregon

Card Bingo

Caller – Jeff Simons

Time for dinner!

42 rigs!

John and Holly would like to thank all those that helped in different capacities to make the Roundup a success, which includes members that helped in the kitchen, with games, with 50/50 ticket sales, with the auction, and those that stayed to clean up the clubhouse on Sunday. The list of helpers was long!

what are other  
words for  
much appreciated?

thanks, thank you, many thanks,  
thanks very much, thanks a lot,  
thank you kindly, much obliged,  
bless you, thanks a million

Several people asked for Holly's "Cowboy Beans" recipe, so here it is!

1 lb Bacon, cooked and crumbled

2 tbsp Bacon drippings

2 cups diced ham

1 lb Ground beef

3 - 15 oz cans Kidney beans

3 - 15 oz cans Pinto Beans

3 Onions, chopped

3 - 15 oz cans Pork and Beans

3 - 15 oz cans White beans

1 cup Ketchup

1/2 cup Molasses

3 tbsp Yellow Mustard

1 cup light Brown sugar

Directions:

- While cooking meat and onions, prepare the sauce; ketchup, molasses, mustard and brown sugar.
- In a large skillet, cook bacon and crumble. Drain fat, but reserve 2 Tbsp bacon drippings. Cook ground beef and onions until the beef is just brown. Drain fat.
- Drain and rinse the kidney, pinto and white beans. Using the pork and beans, save liquid from one can and drain the other two cans. Combine all beans, bacon, ham, ground beef, onions, and remaining ingredients to a large dutch oven.
- Cook in oven 325° until hot, stirring occasionally. The longer it cooks, the better the flavors. I cook mine at least 2-3 hours.

# Chapter Campouts

We are publishing all chapter campout information that is shared with us for 2025. Often times, other chapter members may wish to join you, so this is why we list dates and locations. Once you have your campouts scheduled, please submit the information to [orcadirector@outlook.com](mailto:orcadirector@outlook.com) so that we can include you. This is an important aspect of our organization, so please send your schedule just as soon as possible. In addition, when your “tba’s” are filled in, please let us know so that we can update it.
